1 mile is 0.62kms. The local OS map is sheet 162 (1:50,000)

Before walking it is advisable to check the weather forecast and dress appropriately. The summit of Selsley Common can be quite refreshing, but **"there is no such thing as bad weather, only the wrong clothes"** .  
(Billy Connolly)

Guided walks in more distant areas are available through the local Ramblers Association and the Cotswolds Volunteer Wardens. Walks by the Wardens are listed in their free newspaper "the Cotswold Lion", or on their website at [www.cotswoldsaonb.org.uk](http://www.cotswoldsaonb.org.uk). Ramblers walks are found via website: <http://www.southcotswoldramblers.org.uk/> and <http://www.gwg.org.uk/> (Glos. Walking group).
